FINANCE TIMES

WINTER 2019

For Parishes, Schools and Cemeteries throughout the Diocese of Winona-Rochester

From the Desk of the Finance Officer

Andrew Brannon, CPA, Chief Finance & Administrative Officer • abrannon@dowr.org

Hello Everyone,

I wish you well during this Advent season of preparation for the birth of the Christ-child. Don't let the busyness of year-end administrative tasks overshadow the anticipation and joy of Christ's birth.

The staff of the Finance Department has put together this newsletter to best guide you in many once-a-year tasks. This particular newsletter is lengthy, but in an electronic environment, it puts resources right at your fingertips in a cost effective way.

The finance team's mission is to serve God through service to you. One way to serve you is to give you the tools and resources to do your job well. One giant step forward in determining how we can help you better was to ask you! Your response to the recent survey of Bookkeepers and Administrators was phenomenal. Sixty-one people provided responses to our questions. We are now busy in completing a plan to best utilize that information. Once we have that complete, we will share with you the responses as well as the plan.

The survey's purpose was four-fold – 1) to determine the years of experience of the parish bookkeepers, 2) to determine the ParishSoft modules available to parishes, 3) to determine the ParishSOFT modules actually used by parishes, and 4) to solicit from you questions or problems you've encountered, as well as future training you'd like to see offered. All of your responses covered ways we can help in areas such as accounting, human resources, benefits, and ParishSOFT Accounting and Family Suite software modules.

I thank you for your hard work and your service to your parishes, schools and cemeteries of the Diocese of Winona-Rochester. May you experience a most blessed Advent and Christmas seasons.

Minnesota Minimum Wage going up January 1, 2020

Recently the Minnesota Department of Labor announced that the minimum wage rates are being adjusted for inflation beginning January 1, 2020 to \$10 per hour for large employers. This is an increase of 14 cents over the current \$9.86 per hour rate. The Diocese of Winona-Rochester highly recommends all parishes, schools and related institutions of the diocese to use the large employer rate of \$10 when paying employees. All employers in the diocese are reminded to post the updated minimum wage poster in their workplace before January 1, 2020.

All required posters for the workplace are available from the State of Minnesota website free of charge. The link is as follows: <https://www.dli.mn.gov/about-department/workplace-posters>. In addition you can find the posters on the Diocese of Winona-Rochester website. Click on Offices/Human Resources and then scroll down to Other Information/Labor Posters.

Proposed Overtime Changes are Now Final

On September 24, 2019, the Department of Labor (DOL) announced a final rule that would make more than 1.3 million additional American workers eligible for overtime. Currently the minimum salary for an employee to “qualify” for exemption from the current law is \$455 per week (\$23,660 annually). The new proposed minimum salary is \$684 per week (\$35,568 annually). The new earnings thresholds account for growth in employee earnings since the thresholds were last updated in 2004. Meeting the salary threshold does not automatically make an employee exempt from overtime pay; the employee’s job duties also must primarily involve executive, administrative or professional duties as defined by the regulations. The final rule is effective January 1, 2020.

A similar proposal was scheduled to take effect in December of 2016 under the Obama Administration, however a federal court blocked the start of the rule in late November, 2016. Those employees in various leadership roles will recall that back in 2016 instructions were issued to ensure that all entities in the diocese had examined the positions that existed in their organization. A key element of those instructions were to examine job descriptions for accuracy.

What should Administrators with leadership responsibility do before January 1, 2020?

Recently guidelines were sent to all Parish Administrators, Bookkeepers, etc. highlighting the appropriate steps that should be taken in order to adhere to these new regulations. Please contact the Office of Human Resources [David Fricke at dfricke@dowr.org or (507) 858-1250] if you did not receive the communication or have questions.

DOW-R Frequent Health Insurance Question

We have an employee who wants to enroll in the diocesan health insurance plan but didn't do it when the employee was hired nor during open enrollment. What can be done?

Employer-sponsored health insurance limits enrollments to new hires and open enrollment. In the scenarios above, the only way the employee can enroll in health insurance is by having a qualifying event, which are regulated by the Affordable Care Act (ACA). A couple of events such as denial of health coverage and/or spouse cancelled insurance by choice are not qualifying events.

To obtain coverage, the employee must enroll within 30 days from the qualifying event. The exception to this is of an employee losing Medicaid or MinnesotaCare, which the enrollment must be received within 60 days of the event. The DOW-R form used is the A-2 and can be found on our website <https://www.dowr.org/offices/human-resources/index.html> in Section A. The employee is required to submit documentation of the qualifying event.

DOW-R BlueCross BlueShield (BCBS) \$1000 Deductible Plan Changes

For employees on the \$1000 deductible plan: As previously conveyed during open enrollment, employees will automatically be enrolled in the \$1500 deductible plan on January 1, 2020. New identification cards will be issued by BCBS. If a new card is not received by January 20, please email benefits@dowr.org and a new card will be requested.

Delta Dental—Important Employee Communication

Delta Dental of Minnesota is launching a new service and technology platform effective December 2, 2019. The attachment for information important to employees who are on DOW-R healthcare.

Important Employee Communication

The busy open enrollment season is here. At Delta Dental of Minnesota, we are excited to launch our new service and technology platform later this year!

New Member Portal

- The URL will remain www.deltadentalmn.org/members
- The new portal will allow employees to:
 - ✓ View and print ID cards
 - ✓ View dental claims activity in real-time
 - ✓ Access detailed dental benefit information
 - ✓ View and print Explanation of Benefits (EOB)
 - ✓ Choose to receive electronic EOB
- Effective December 2, the new portal will be available. Employees will be prompted to register. Historical information will be available.

Customer Service Phone Numbers

(651) 406-5916 or (800) 553-9536

Paper claims and appeal submissions to the current addresses will be forwarded to the new addresses. Claims submitted electronically will be redirected to the new address.

Delta Dental of Minnesota ID cards

- **New ID cards** will be issued to all existing subscribers in late January 2020. A new subscriber ID number will be assigned and linked to the current member ID number. *Note: New dental plan enrollees who receive an ID card in December, 2019 will not receive a new ID card in January, 2020.*
- **Existing ID cards** and ID numbers will remain valid and can be used to submit claims.

Further—Flexible Benefits 2019 and 2020

Please remind 2019 enrolled employees to use any of their available flexible spending benefit by 12/31/19.

If an employee missed the 2020 open enrollment, DOW-R will try to get an exception to enroll them. For employees enrolled in 2019 and again in 2020, they will not be receiving new debit cards. Anyone new to flex in 2020 will receive a new debit card.

Contact Julia Sandsness if you have questions.

“Roth” Option Available January 2020

David Fricke, Director, Human Resources

The Diocese of Winona-Rochester recently announced that beginning in January 2020 the diocesan sponsored Lay 403(b) Retirement Plan through Lincoln Financial will allow for “Roth” contributions.

For those employees not familiar with the term “Roth” contributions, below is a brief comparison of the current “Traditional” (pre-tax) contributions and “Roth” (post-tax) contributions:

Traditional: Pay taxes later

Take home **more pay today** in exchange for paying taxes on your account when you retire.

Pretax: **Pay no taxes now** on the money you invest, which lowers your taxable income right away.

You may pay a penalty if you begin withdrawing money before age 59 ½.

In retirement, you’ll pay taxes

On the money you invested –and
On the earnings.

Required minimum distributions that start at age 70 ½ apply to these assets.

Roth: Pay taxes now

Take home **less pay today** in exchange for not having to pay taxes on your account when you retire.

After-tax: **Pay taxes now** on the money you invest so you can enjoy a tax break later.

You may pay a penalty if you begin withdrawing money before age 59 ½.

You can’t withdraw funds until they’ve been in your account for five years.

In retirement, you won’t pay

taxes on the money you
Invested – or on the earnings.

Required minimum distributions that start at age 70 ½ apply to these assets unless they’re rolled into a Roth IRA.

The Diocesan sponsored Lay 403(b) Retirement Plan has a 3% discretionary contribution as well as a matching contribution of \$1 for \$1 on the first 3% of compensation. Whether participating employees contribute in the traditional (pre-tax) or Roth (post-tax) option, both the discretionary and matching contributions made by your employer will be pre-tax, as is subject to taxes when withdrawn.

The Diocese of Winona-Rochester is pleased to make this enhancement to the Diocesan Lay 403(b) Retirement Plan.

IRS Standard Mileage Rate for 2020

Beginning January 1, 2020, the standard mileage rates for the use of a car (also vans, pickups, or panel trucks) may change. The 2019 rate is \$ 0.58 cents per mile driven for business use.

The new rate was not available as of the date this newsletter was published, but it should soon be available at:

<https://www.irs.gov/tax-professionals/standard-mileage-rates>

Catholic Mutual Group News

Ryan Christianson • rchristianson@catholicmutual.org

Greetings and Happy Holidays from the Catholic Mutual risk management office. As I reflect over the nearly 14 years I have been with Catholic Mutual here in the Diocese of Winona-Rochester, I would like to thank and extend my appreciation to all locations for the efforts you make in continuing our goal of creating a culture with safety in mind. Together we have completed over 2,000 on site safety inspections, your welcoming reception and continued support and response is very much appreciated.

To supplement our diocesan and CMG on-site inspection program, CMG has developed a learning management platform, CMGConnect. This platform houses a number of online training videos and resource documents. Nationwide, over 335,000 accounts have been created. Here in the Winona-Rochester diocese, we have over 700 users registered with 19 different training courses available. These curriculums include training related to transportation, youth ministry, parish festivals, school safety, facility safety, cyber liability, and church best practices.

One area of potential liability exposure within the Church is related to driving and transportation. The diocesan transportation policy requires all drivers (employee and volunteer) of location owned vehicles as well as personally owned vehicles being driven on church/school business to complete the Catholic Mutual Be Smart Drive Safe defensive driving course. Also (as a CUP requirement) is to have at least one person in an administrative position for each location (or group of cluster locations) view the online training program entitled Church Transportation – Is it Necessary and Ministry Based?

While a number of individuals have completed our defensive driving course, only a hand full have viewed our Church Transportation – Is it Necessary and Ministry Based? video thus far. Please make this a top priority as we head towards 2020. These training resources can be found at www.CMGConnect.org. Thank you.

New Remittance and Collection Forms for 2020

Ann Ringlien • aringlien@dowr.org

With a new year right around the corner, please make sure you are using the correct remittance form when sending in checks for Special Collections after January 1. Included with this newsletter is a copy of the '2020 Special Collections Remittance Form' that should be used throughout 2020. (Remember, the calendar for Special Collections runs on a calendar year, not fiscal year.) Also included is a listing of all the 2020 Special Collection dates. Please see pages 7 and 8.

After January 1, please make sure you are using the correct remittance form (says '2020' at the top) for any money sent in for Special Collections. A copy of the DOW-R Remittance Form for 2020 is on page 16.

The Special Collections and DOW-R Remittance Forms (PDF & Excel formats) can be found on our website at <https://www.dowr.org/offices/finance/frequently-requested-topics.html> (found under 'Finance Office, Frequently Requested Topics').

Copyright Compliance

What is Copyright?

Copyright law is designed to protect people who produce original literary, musical, dramatic, artistic, or other works. It covers nearly everything that can be seen, heard or touched: books, CDs, movies, photographs, plays, and more.

The law gives original authors, artists and photographers the exclusive right to:

- Copy, print or reprint the work.
- Perform it publicly.
- Sell or distribute it.
- Revise it, arrange it, or transform it.
- Record it.

These rights belong to the person who created the content, not anyone who has access to it.

The existence of a copyright isn't always obvious. U.S. law doesn't require a copyrighted work to bear a copyright notice, so it's a good idea to research copyright information before displaying or copying work that isn't original, particularly images and material obtained from the internet.

Someone who infringes upon a creator's rights can be fined from \$500 to \$20,000 per infringed work, even if the violation was unintentional. If an organization knowingly breaks the law, additional penalties can be added.

Copyright Protection Guidelines

The only sure way to avoid infringing on a creator's rights is to obtain permission before using their work. Some owners grant permission freely. Others may charge a fee or may refuse to let you use their work at all. In addition, parishes/schools can use the following guidelines to prevent copyright issues:

1. **Only use materials that are not copyrighted.** Many works are freely available because their copyrights have expired and they are considered part of the “public domain.” Parishes/schools should also consider using photographs or images they have created themselves.
2. **Secure permission from copyright owners before use.** The copyright owner may be able to be located using the information listed on the copyrighted material. If there is no copyright information listed, contact the publisher directly, since that organization may be the copyright owner
3. **Stay within “fair use” guidelines.** Fair use allows the limited use of copyrighted material without the author's permission for educational purposes, criticism, news reporting, and research. The original author must be credited for material used. There are, however, no specific guidelines for how much of a protected work can be copied without permission, so be cautious when doing so.
4. **Buy a blanket license or subscribe to a royalty/copyright free image service.** Blanket licenses allow the use of specific copyrighted works for certain purposes while the license is in effect. The licenses allow churches to use copyrighted songs and other materials, within certain limits agreed upon. The following licensing companies are some that may be helpful to your parish: Oregon Catholic Press/OCP Publications, GIA Publications, World Library Publications/J.S. Paluch Company, Inc. In addition, there are numerous companies that can provide access to royalty/copyright free images and photos like Shutterstock.com, Graphicstock.com, Bigstockphoto.com, Adobestock.com and many more.

Although there are a few limited exceptions to copyright protection, your parish/school should always investigate the copyright status of any photograph, image, literary, musical, dramatic, or audiovisual work before using them. Simply giving credit to the creator of copyrighted works used in a bulletin or program is no defense against charges of copyright infringement. When in doubt, do not use something that you are not certain you have the right to use.

How's your memory??

For me, it is very helpful to have recurring bills, journal entries, credit card transactions and/or deposits memorized within Parish-SOFT accounting so that they will be generated and show up on my screens to serve as a reminder to enter the transactions. Memorizing transactions is easy and it can save you time in the long run. For bills, here is the process:

Choose a bill that you want to memorize

#	Account	Amount	Comment	Paid	Project	1099
1	2400AP05P00: 403(b) Pension Withholding L-10-	1771.67		N		
2	2400AP07P00: Flex Plan Medical L-10-00-20-240	85.00		N		
3						
Total:		1,856.67				

Click on the memorize button

On this screen:

1. Name the bill (for instance Monthly Pension)
2. Set the frequency from the drop-down options (set the first day if you are using the semi-monthly frequency)
3. Choose the next date and final date (if applicable)
4. Decide whether you want to memorize the amounts currently on the bill or if you would like the bill to come up with zeros in the amounts by checking the check box or leaving the check box blank.
5. Click on Submit.

The process is similar for the other transactions; each type of transaction has the memorize button.

How do you generate the transactions? On your main screen for Ledgers and Payables, you will see this box to remind you that there are transactions waiting:

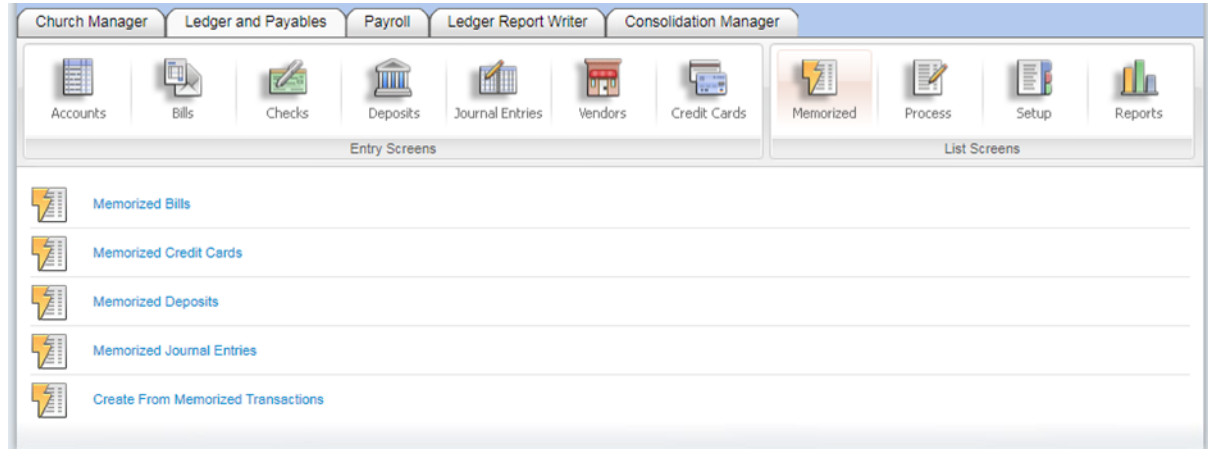

Memorized Transactions			
Next Date	Type	Vendor/Desc	Amount
11/1/2019	Bill	DOW-R Employee Benefits / Health/Dental/LTD/ADD/Life	879.66

How's your memory?? (continued)

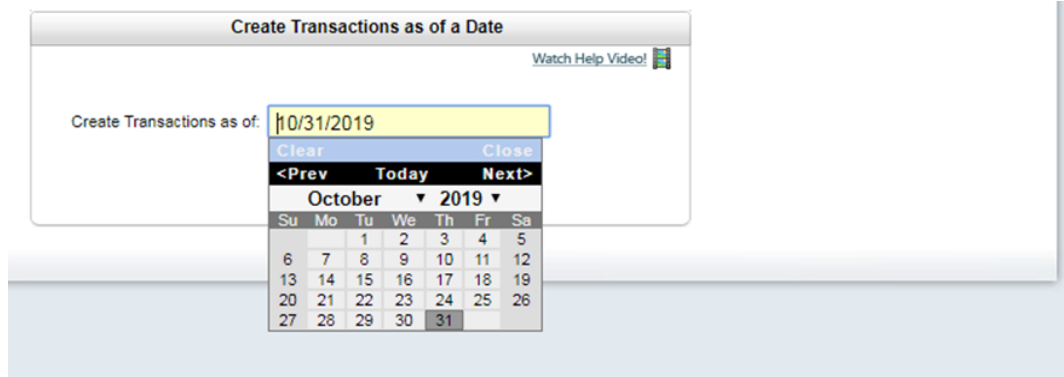

To create the transactions, click on "Memorized"

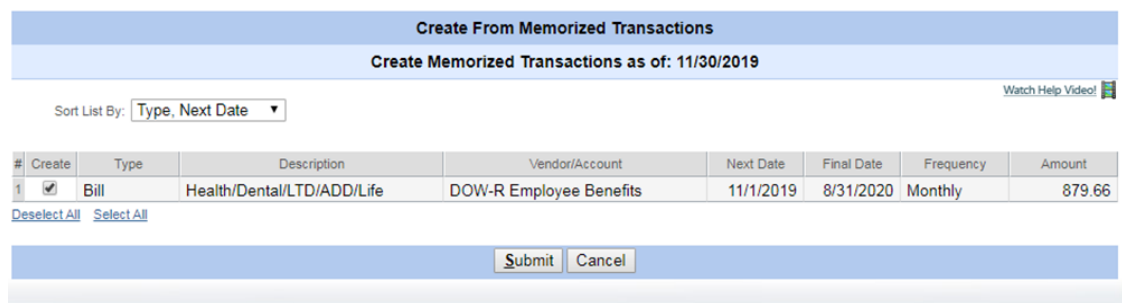

Select "Create from Memorized Transactions"

Select your date:

A list of the memorized entries will display:

Click on Submit and you will see the entries in the transaction lists where you are able to edit them (in this case it is a bill so you will see it on the check screen in the bills open for payment).

End of Year giving

As we approach the end of the calendar year, remember how to determine which year to use for gifts:

1. Gifts delivered to the organization by the end of the day on December 31 should be entered into the 2019 calendar year.
2. Gifts initiated on-line before midnight 12/31/2019 are considered 2019 gifts (this would include bill pay transactions initiated through the donor's bank).
3. Gifts **postmarked** December 31 or earlier are considered 2019 gifts.
4. Remember that a donor dating a check in December does not necessarily make it a December gift; it has to meet the IRS guidelines.

You are able to use a December 31 **posting** date in Family Suite for the gifts and use a January **deposit** date to differentiate the year of the gift.

Contribution Statements

ParishSOFT Family Suite will create customized contribution statements for your parish or organization. Remember, members also have the option of printing their own contribution statements through **My Own Church**. All you need to do is remove the prior year's electronic statements (go to Offering, Reports, Contributions, Statements and navigate to the giver tab). Choose Remove E-Statements and let the process run for a few hours before going back to generate the current year statements. I usually sent out an e-mail (using export giver e-mails) to let everyone know when the statement are available on-line.

Complete instructions are available through PathFinder.

W-2s, 1099s, W-2Gs

Have you issued any required W-2G forms for gambling winnings at your fundraising events? If not, fillable forms are available at the IRS website. You will need a 1096 submission form to send to the IRS which has to be their scannable form.

Check now to make sure that you have all the tax identification numbers for any vendors that would require a 1099. ParishSOFT will generate plain paper forms that you can send to your vendors but you will need the pre-printed IRS 1099 form and the 1096 transmission form to submit to the IRS. Talk to locations around you to share a packet of forms.

Plain paper W-2 forms are also able to be printed from ParishSOFT. You can buy perforated blank forms that have the IRS required wording on the back from office supply stores. For those of you with 50 or fewer employees, you are able to submit the forms on-line through the SSA Business Services website for free after you register. See <https://www.ssa.gov/bso/bsowelcome.htm> for more information. Registration is easy! There is also the option of submitting the forms electronically through the ParishSOFT software for a fee (see third item below on the forms tab in the payroll module).

Form Printing and Electronic Filing

ParishSOFT usually updates in early December to get the new forms and upcoming tax tables loaded for us. They also have training available through Pathfinder on all aspects of end of year reporting.

Christmas Gifts and W-2s

Yes, I'm sad to say that the IRS views gifts of money or gift cards as taxable income. This applies to **both** volunteers and employees. So, if this is the route taken to show appreciation, please see the information below from the December 2018 Finance Times:

Holiday gifts.

If your employer gives you a turkey, ham, or other item of nominal value at Christmas or other holidays, don't include the value of the gift in your income. However, if your employer gives you cash, a gift certificate, or a similar item that you can easily exchange for cash, you include the value of that gift as extra salary or wages regardless of the amount involved.

Christmas Gifts and W-2s (continued)

Really?? Even if it is just a \$25 gift card? Even if the CCW made the gift? Yes, even if it is just a \$25 gift card and yes, even if the CCW made the gift.

So, how does this work in parish soft? Here are some examples:

The parish gives each employee a gift card valued at \$100.

1. In the payroll system you set up a pay item called Christmas Bonus (or just Gifts to employees). This is what it would look like. You may code it to wages or employee appreciation.

The screenshot shows the 'New Pay Item' configuration screen. The 'Pay Item Information' section includes:

- Description: Christmas Bonus
- Pay Item Type: Taxable
- Default Check Sequence: 1
- Default Gross Pay Account: (empty dropdown)

 A 'Quick Find' search box is on the right, and a 'Submit' button is at the bottom.

2. You set up a deduction called Christmas Bonus deduction (or just Gifts to Employees deduction). This will be coded to the same expense account as the pay item. Note that you do not check any of the check boxes.

The screenshot shows the 'Deduction' configuration screen. It includes:

- Type: Deduction
- Code Number: 26 (with a note: 'Use a code number 11 or higher.')
- W2 Category: Other
- Subject to Tax section with unchecked checkboxes for Social Security, Medicare, Federal, State, and Local.

 Buttons for 'Submit', 'Cancel', and 'Delete' are at the bottom.

3. In your payroll around the time the cards will be distributed, add the pay item to your employee records and add the deduction for the same amount.

The screenshot shows a payroll entry screen. At the top, 'Pay Group' is set to '4:Annual-One Time'. Below are two radio button groups for 'Hourly' vs 'Salary' and 'Full-Time' vs 'Part-Time'. The main table shows the following entries:

#	Pay Description	Hours / Units	Rate	Pay Period Amount	Annual Amount	Account	Use Dist
1	Christmas Bonus: Taxable			100.00	100.00		<input checked="" type="checkbox"/>
2							<input type="checkbox"/>
3							<input type="checkbox"/>
Total:				100.00	100.00		

Below this is a 'Deduction/Benefit' table:

#	Deduction/Benefit Description	Amount	Percent	Limit	2018	2017
1	26 Deduction: Scrip Card Deduction	100.00	0.00	999999.99		
2						
3						
Total:		100.00	0.00	999,999.99		

Buttons for 'Submit' and 'Delete' are at the bottom.

Christmas Gifts and W-2s (continued)

4. This will add the income so the system will withhold taxes and it will deduct the amount (since you are not paying the money to the employee but giving them a gift card instead). The net effect will just be the withheld taxes.
5. After closing the payroll, either delete the pay item and deduction or make them zero on each employee record so you don't accidentally process them again!

The parish gives each employee a monetary gift of \$100.

1. Once again you will use the pay item but you will not need the deduction.
2. If the gift is a flat \$100, all you need to do is put it in your payroll on the Christmas Bonus (or Employee Gift) line and let the system do the rest.
3. If the gift is to net to \$100, it is best to handle it as a separate check and divide the amount of the gift by 100% minus the Social Security and Medicare tax rates of 7.65% (6.2% plus 1.45%) and any pension withholding rate for that employee. So, for our example, we will say that the employee is having 3% withheld for pension. You would divide the \$100 by .8935 (100%-7.65% -3%). The pay amount would calculate to \$111.92.

The parish or CCW gives the priest a gift of \$100.

1. You would again use the pay item Christmas Bonus or Gifts to Employees.
2. If the gift is given separately, it works best to run it through payroll and have the system cut a check (remove any direct deposit bank information for the priest first if this is the route you are taking). Run the payroll with just the Christmas Bonus or Gift pay item.
3. If the gift is given in the form of cash which came from parish funds, the amount is both added and deducted in a payroll (see the first scenario). In the case of a priest, since there are no taxes withheld this will simply add the amount to the W-2.

New Training Available from ParishSOFT!

When you received your renewal bill from ParishSOFT in October, you also received a flyer that looks like this:

NEW! With your annual renewal you will have access to our new online Learning Management System, PATHFinder!

Have you ever used a Learning Management System (LMS) or don't know what one is? If not, don't worry we've got you covered!

PATHFinder Overview

PATHFinder is a Learning Management System, or LMS for short, that stands for all the following:

- **LEARNING**, because you'll be learning ParishSOFT software through specific online courses.
- **MANAGEMENT**, because it helps you keep track of what you've learned and what you still need to learn.
- **SYSTEM**, finally, the word system is just a fancy word that translates to "software".

ParishSOFT is introducing a new on-line training option as a part of your subscription. To enroll, go to: <https://parishsoft.litmos.com/self-signup>
